

KEEP SARALAND BEAUTIFUL

Minutes of Meeting January 14, 2016

The meeting was called to order at 12:00 noon by the president, Ron Mitchell. Wayne Biggs led in prayer and a light lunch was served. Fourteen members were present.

Minutes were read and approved.

Treasurer's report showed a balance of \$4,907.16. A copy of the report is attached to these minutes.

Education Committee. In her absence, Ron read Janice Harvison's report on progress of the elementary school poster/bookmark/funky junky art contest. The contest hinges on money being available.

Adopt A Spot Committee. Juanita Chandler reported on Adopt A Spot. She said if we only keep the spots rented as they are presently, we will not have enough money for the project. Leesa Vrocher moved we transfer \$1,000.00 from Keep Saraland Beautiful to Adopt A Spot. Sanford Flach seconded the motion and it passed.

Wayne Biggs announced he would take a spot. His announcement was met with applause.

Great American Cleanup. Sarah Connell and Carl Kelly will take this committee. Sarah outlined their plans which involve using great numbers of volunteers including students from the high school. Keep Alabama Beautiful will reimburse our affiliate for \$1,000.00 for supplies for cleanup.

Tree Planting. We have \$1,000.00 for planting 20 trees on the west end of Hwy 158 on the north side. Wayne Biggs mentioned that we will have to wait until after plans for a major development in that area is finalized.

Yard of the Month. Janice had emailed that she is working with Jason Weatherby on this committee. They need people to recommend yards.

Ron asked permission to send a letter to pastors asking that they not break the law with signs. It was granted. Carl volunteered to talk with Dr. Milner about not putting signs on the right of way.

We have no chairperson for the Membership Committee.

Fundraising Chairperson is Leroy Chandler.
