

# Keep Saraland Beautiful

## Meeting Minutes

January 14, 2021

Members in attendance:

Jeanette Greene	Newton Cromer
Mildred Blass	Barbara Sharp
Juanita Chandler	Janice Harvison
Ron Mitchell	

At 12:05, Newton Cromer offered an opening prayer. Mildred made a motion to accept the November 2020 minutes and Newton seconded. No Treasurer's Report was given.

Janice gave the Executive Director's report. She discussed meeting Christina with Keep Mobile Beautiful for supplies, and Ron asked that Christina be invited to our meeting to discuss how Saraland residents can participate in their new litter program. Janice also reported on the passing of Fred Webb and Gloria's continued hospitalization.

Ron gave the President's Report. He talked to the Adopt a Spot landscaper about replacing the palm trees that didn't survive at Jacintoport Drive. All is on track for palms and crape myrtles to be planted at the Saraland bus yard on Highway 43. Ron showed a video regarding e-waste and a man who was sent to prison for recycling computers. Adopt a Spot will meet next in July.

Barbara reported on the Yard of the Month. The Bryants of 7551 Cedar Drive received the January YOM for their neat and clean yard.

Juanita gave the Tree Planting Report. We missed the Alabama Power tree grant, and the position for City Planner is now open.

A membership chairman is needed, and membership forms can be shared by members now in the absence of a chairman. Janice will email the form to anyone who wants it. She will also get some printed at the UPS store in Saraland. Newton will talk to the owner of the UPS store to see if we can work out a free annual membership for them in exchange for the same value in copies.

Ron discussed nuclear power as the cheapest and cleanest for the environment.

A motion to adjourn was made at 1:00pm by Janice.
