

## KEEP SARALAND BEAUTIFUL

### Minutes of Meeting March 10, 2016

The meeting was called to order by the president, Ron Mitchell, at 12:00 noon. Wayne Biggs led in prayer. A light lunch was provided for the twelve members present. Ron thanked Councilman Biggs for taking part in the organization and thanked Leona Calhoun for bringing lunch.

Copies of the minutes were distributed; one correction was made concerning the treasurer's report (the total should have been \$4009.84). The minutes were approved as corrected. Copies of the corrected treasurer's report were also distributed.

The President's Report Ron led a discussion about affiliation with Keep America Beautiful. Juanita Chandler, Fred Webb, and Janice Harvison spoke in favor of keeping the affiliation, noting ways it would benefit KSB. Janice agreed to act as "executive director" with Mildred Blass, Juanita Chandler, and Fred Webb completing the KAB team. J. Greene moved to put this into effect. With Jason Weatherby's second, the motion carried.

Ron announced a request from Volkert to receive reports on KSB activities, to be included in their annual report about the city. Councilman Biggs suggested we have a detailed report to the City Council, "to enhance the visibility of KSB in the community." He suggested an annual formal presentation, with slides, handouts, written reports, etc. Wayne then followed up with a report of the city conference in D.C. and "what Saraland is doing right."

Ron led a discussion about a permanent storage place for KSB records--especially in light of the current 501(c)(3) report. In lieu of renting a storage spot, Sanford Flach volunteered to continue housing the records and materials in his spacious basement.
