

KEEP SARALAND BEAUTIFUL

MINUTES OF MEETING

FEBRUARY 11, 2021

Meeting was called to order by President Ron Mitchell. Invocation was also by Ron.

Roll call was by signing attendance sheet.

Motion was made by Mildred Blass to dispense with reading of the minutes of the January meeting since they had been distributed electronically. Second by Jeanette Greene. Motion passed.

The treasurer's report showed a balance of \$4,101.68. There had been no transactions in January.

Our guest speaker was Bobby Neese from the Environmental Office for the City of Saraland. He explained how the City went about declaring buildings or areas as eyesores or hazards and the steps the City had to take in getting the owners to take care of them or for the City to take care of the problems. He also told us about the houses and buildings that had been torn down and those in the process of being destroyed.

Ron informed us that the City has asked us to have a litter pickup day. It was agreed that we would plan to have the pickup on April 17, we would allocate \$1000 for the project, and that we would ask students from Saraland High School to participate.

Yard of the Month Chair Barbara Sharp reported that the current YOM winners are Glen and Geraldine Givens who live at 1652 Silver Creek Drive.

Meeting was adjourned.

Respectfully submitted,

Mildred Blass, Substitute Secretary
